# *Contents*

**NUMBERS 1/2**

**Editorials**

1 Society of Pharmaceutical Medicine

2 The status of pharmaceutical medicine

3 TREO

**Original Articles**

5 The use of inhaled $\beta_2$-adrenergic bronchodilators and anti-inflammatory steroids in asthma. The Third Wellcome Lecture in Pharmaceutical Medicine. *Sir D. Jack*

17 Diploma in clinical pharmacology of the Society of Apothecaries. *D. Jackson, T. C. G. Tasker, A. M. Wallington Smith, A. J. Williams & N. L. Wood*

21 The importance of gamma scintigraphy in pharmaceutical development. *S. P. Newman & I. R. Wilding*

35 A comparison of *in-vitro* drug delivery from salbutamol Diskus and terbutaline Turbohaler inhalers. *A. Malton, B. S. Sumby & Y. Dandiker*

49 UK opportunities for Japanese companies. *T. M. Jones*

**Review Article**

57 Streptozotocin-induced ketoacidosis and non-ketonuric diabetes in the rat: useful models for drug action. *C. S. Thompson & D. P. Mikhailidis*

**Meeting Reports**

87 TREO symposium: the EMEA, drug registration and Europe—part I. EMEA influences on industry's regulatory strategy. *J. Moran*

93 TREO symposium: the EMEA, drug registration and Europe—part II. Launch year 1995—the EMEA at work with European agencies. *J. Moran*

**Abstracts**

101 Abstracts of papers presented at the Society for Medicines Research Symposium on: Case histories of drug discovery.

107 **Book Reviews**

109 **Announcement**

111 **Forthcoming Events**

**NUMBERS 3/4**

113 Editorial—Reflections on being an Editor 1993–1996

**Original Articles**

115 Therapeutic and commercial potential of fluorocarbon emulsions for blood replacement. *A. Marchbank*

125 Screening of polycyclic amines for calcium channel antagonism. *S. F. Malan, I. Van Den Heever & C. J. Van Der Schyf*

137 Post-antibiotic effect modelling of spiramycin against *Staphylococcus aureus* ATCC 6538P. *L. Renard & P. Sanders*

149 Physiologically based pharmacokinetic modelling with valnemulin and its metabolites after multiple oral administration in pigs. *S. Horkovics-Kovats & F. Schatz*

169 **Announcement**

171 **Index**
